

NEW STUDENT QUESTIONNAIRE

Please answer these questions on a separate sheet of paper.

1. What is your full legal name the way you are enrolled in this school?
 2. What is your six-digit student ID number?
 3. What would you like to be called in this class?
 4. When were you born? (month, day, year)
 5. Please write first and last names of people who live with you and their relationship to you. For brothers and sisters, please include ages.
For example: I live with my mom, Mary Smith, and my dad, John Smith. I also live with my 8-year-old sister, Sarah Smith.
 6. What is your phone number? (This is just for me and will not be given out.)
 7. Class assistants are assigned weekly to help pass out and collect books and papers. Would you like to be a class assistant?
 8. Do you have a physical or medical condition I should know about? For example: diabetes, asthma, allergies, or difficulty seeing the board....
 9. Please write the names of any students you need to stay away from in class.
 10. Please tell me a little about your plans for when you get out of school.
 11. Please tell me a little about what you enjoy doing in your spare time outside of school.
 12. I try to consider students' wants when it comes to a seating chart. Who would you like to sit by, knowing you'll still get work done and not talk too much in class?
